SUMMARY OF ACCOMPLISHMENTS FY 2012-13

The past year was an exciting one for New Directions Career Center. As the economy started to grow, so did we – expanding our space and adding a new staff member. The Center’s staff and Board worked hard to grow our space and capacity to better meet the service needs of a growing number of central Ohio women in transition. Efforts continued to create a more stable financial foundation for the Center, broaden visibility within the community, maintain standards that demonstrate accountability, and develop new partnerships as a means of improving service delivery. Highlights of accomplishments for FY 2012-13 included:

- Provided **14,863 hours of service to 1,457 clients** (864 program clients and another 593 individuals who received information and/or referral services).
- NDCC hosted its third **“Fall Event”** – an educational event designed to focus attention on various career topics/issues of concern to women, as a means of showcasing what the Center’s work is all about. The event featured Amy Purdy, the top-reigning female adaptive snow boarder in the world. Amy, who has overcome enormous obstacles in her life, spoke about: “Living Beyond Limits.” The event was attended by over 200 guests.
- **Expanded into space** next door, which provides the Center with a second classroom, small conference room, additional office space, a larger reception area, and space to house a **boutique to meet the professional attire needs of program graduates** so they have the outfits they need for job interviews and to start new jobs.
- **Created and filled a new staff position** for Classroom Instructor and Outreach Associate.
- **Implemented a new monthly seminar** (in partnership with various corporations in town) entitled, **“Meet the Recruiter.”** Each month a recruiter from a different corporation meets with recent NDCC program graduates to talk about available positions within their company, what their needs and expectations are for employees, how to find out and apply for available positions, and more. The additional classroom provided by our new space is allowing for this expanded programming.
- **Continued our partnerships** with the Women’s Leadership Council of United Way, the Financial Planners Association (FPA) of Central Ohio, the Columbus Metropolitan Library system, Consumer Credit Counseling, the Human Resource Association of Central Ohio (HRACO), Godman Guild, Connect Ohio, and several churches and other nonprofit organizations in an effort to provide quality services to more clients in need.
- Continued to **strengthen the Center’s financial position** by growing the Endowment Fund 86%, and maintaining a three-month operating reserve to manage cash-flow fluctuations.
- Launched a **New Directions Young Professionals (NDYP)** group. The group is working to advance the Center’s mission through both service and fund-raising activities, while furthering their own professional growth and development.

FUNDING SOURCES FY 2012-13

Major Sources of Support for FY 2012-13:

The Center is fortunate to have developed a diversified funding base over the past 33 years. Following is a pie chart depicting the sources of financial support for FY 2012-13:

The largest source of funding was from corporate and community/family foundation grants (\$248,500 or 34%). Although grants are the largest funding source, they came from various foundations in FY 2012-13:

• American Electric Power (AEP)	\$40,000
• Alliance Data	\$35,000
• Fred Carver Fund	\$25,000
• Limited Brands Inc.	\$25,000
• The English Foundation	\$20,000
• Harry C. Moores Foundation	\$20,000
• Honda of America, Mfg.	\$15,000
• Catholic Foundation	\$15,000
• Anonymous	\$10,000
• Malquist Fund at The Columbus Foundation	\$10,000
• Siemer Family Foundation	\$10,000
• Paul E. Duke Foundation	\$ 5,000
• TJX Foundation	\$ 5,000
• Tatman Robins Fund	\$ 6,000
• Cardinal Health	\$ 3,500
• Dr. Alan R. Korb Trust Fund	\$ 2,500
• USBank	\$ 1,500

Event income accounted for the second largest source of funding (\$231,028 or 31% of annual budget). Events include NDCC's annual signature event, **Women of Promise**, the Fall Event, and various other small fund-raisers. NDCC's E3 contract with the Women's Leadership Council of United Way of Central Ohio is now the third largest funding source accounting for \$132,246 or 18% of the FY '12-'13 budget.

How NDCC Spent Available Funds in FY 2012-13

New Directions Career Center is extremely careful about how available funds are spent. We value the trust our donors place with us every time a contribution (small or big) is made. Of the total expenses incurred for the 2012-13 fiscal year (\$640,400 unaudited) 87% (\$557,148) was spent on delivery of programs and services 6% was spent on general administration; and 7% was spent for fund-raising.

Of the \$557,148 (87%) spent on programs and services the breakdown by program is as follows:

<i>PROGRAM</i>	<i>New Directions</i>	<i>Advanced Career Techniques</i>	<i>Creating Career Options</i>	<i>Educate, Empower, Elevate (E3)</i>	<i>Computer Basics</i>	<i>Other**</i>
<i>SERVICE HOURS</i>	6,975	654	493	3,528	1,323	1,790
<i>TOTAL EXPENDITURES*</i>	\$261,462	\$24,516	\$22,230	\$132,248	\$49,593	\$67,099

* These are ACTUAL unaudited expenditures and do NOT include volunteer hours and their value (see below)

**Other includes Individual Career Counseling sessions, Employment/Placement Services, Financial Literacy Workshops and Boot Camps, Career Development Workshops, B's Boutique Services

In addition to prudent spending, NDCC is able to keep non-program expenses down because of the many volunteer hours and in-kind gifts we receive each year. In FY 2012-'13 **over 250 individuals volunteered 5,834 hours of service** to support our mission and give back to the community by giving their time and talents to empower individuals to achieve economic self-sufficiency. Using the federal 2012 **value** established for **volunteer time** (\$22.14/hour) these hours are **valued at \$129,165**. In addition, the Center received **significant non-cash gifts from many donors, with a total value of \$254,007** – bringing **the total FY 2012-13 value of in-kind gifts (both volunteer hours and non-cash gifts) to \$383,172!**

Following is a list of individuals who unselfishly volunteered for the Center in the 2012-'13 fiscal year, followed by a list of the non-cash gifts received during this fiscal year.

VOLUNTEERS FY 2012-'13

A very special thanks is extended to all of the Center's talented volunteers, who give so freely of their time to help women create a financially independent and positive life for themselves and their children.
